Argia Mexico and Grupo Innova Enhance Lighting and Security on Blvd. Country Club Gran Jardín

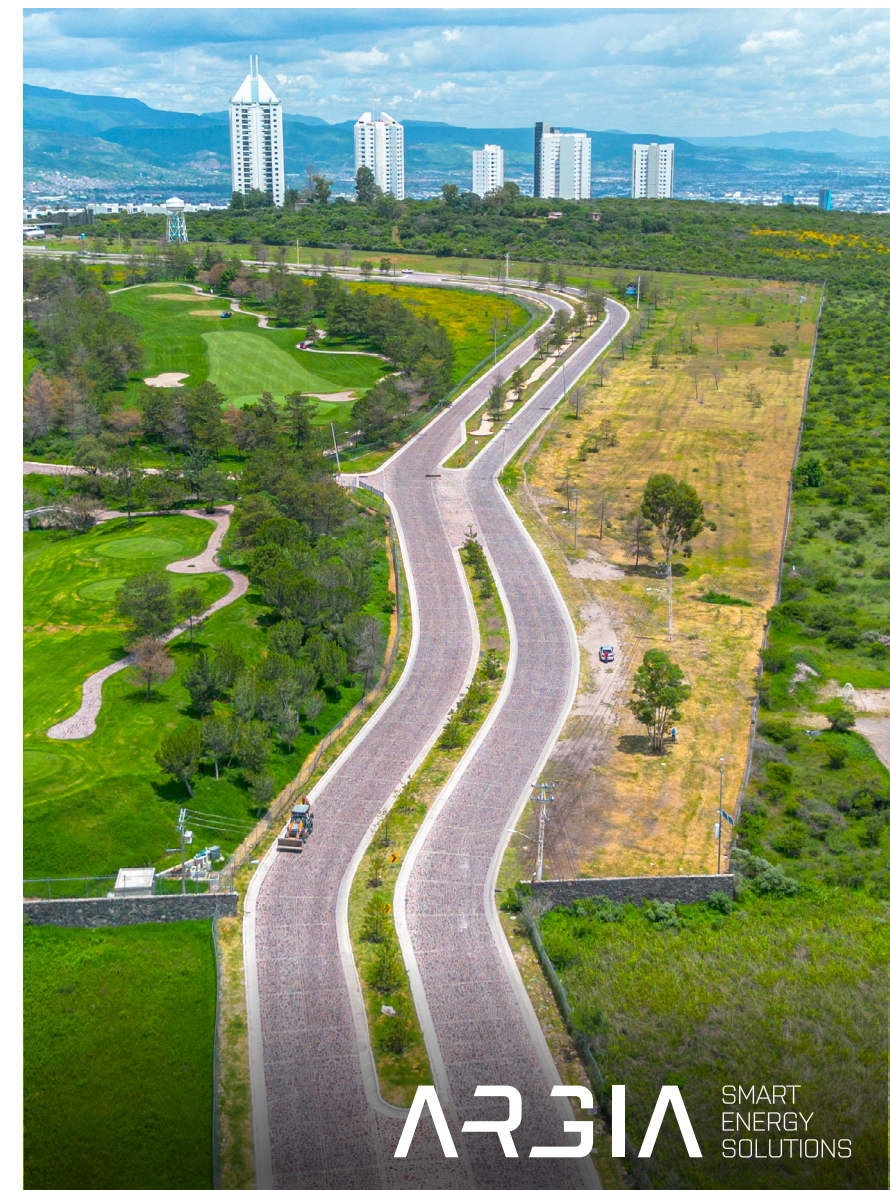

Argia Mexico, in collaboration with Grupo Innova, has successfully upgraded the lighting and security along the 1.5 km stretch of Blvd. Country Club Gran Jardín. Previously, the boulevard was equipped with outdated and insuf-

ficient lighting. Through this partnership, the area now features newly installed poles and state-of-the-art LED Lithonia street lights with a warm 2700K glow, creating a safer and more inviting atmosphere during the evening.

Grupo Innova, a leading real estate development company based in León, Guanajuato, Mexico, brings over 30 years of experience in

crafting innovative residential projects. With a strong commitment to the growth and development of León, Grupo Innova focuses on enhancing lifestyles by aligning its projects with the needs and visions of its clients.
