

40%

RSI WOODMARK - PROLOGIS PARK INSURGENTES, TIJUANA, MEX

We were commissioned by a major developer, Prologis, to provide complete lighting for its long-term tenant, RSI WOODMARK. The entire installation was carried out according to the customer's wishes without any traffic restrictions. The luminaires were replaced in the production hall as well as in the background. The luminaires were connected using the existing electrical installation. Everything was delivered on time, in perfect

quality and fully in accordance with the customer's specifications. The total area we have illuminated is 19,000 m². The customer's total running costs were reduced by 40% at a high illuminance level of 350 lux.

| | Original installation | ARGIA lighting solution |
|----------------------|-----------------------|-------------------------|
| Type of luminary | LED | LED |
| Number of luminaires | 579 units | 579 units |
| Total Input | 99.00 kW | 59.00 kW |
| Consumption kWh/year | 411,840 kWh | 245,440 kWh |

The customer's total operating costs were reduced by 40% while increasing light levels by up to 65%.
