Project result	Total customer's operating costs reduced by 75% while the illumination level increased from 150 lux to 300 lux.	
Warranty	10 years	

For the company Haldex Products México, one of the world-leading suppliers of brake and suspension solutions, in full continuous operation and without interruption we have exchanged obsolete discharge luminaires for new, modern dimmable LED luminaires ACUITY BRANDS.

Installing new LED luminaires meets 300 lx illumination requirements and high uniformity. Thanks to the combination of new modern LED energy saving luminaires switched by combined Daylight and motion sensor, the customer has achieved energy savings up to 75%.
